# The Place to Buy Champions is Where Champions Are Born

The Deep Cove Shorthorn Herd was founded a decade ago by Cyrus Eaton to demonstrate that Shorthorns second to none could consistently be produced in the Maritime Provinces. The subsequent performance of Deep Cove progeny in the show and sale rings of both Canada and the United States has firmly established the reputation of Nova Scotia Shorthorns throughout North America.

The Shorthorn Herd at Deep Cove Farms, Upper Blandford, Nova Scotia, has deliberately been kept small and select; the barns and sheds have been designed for the practical and comfortable wintertime accommodation of no more than seventy head. Through recent importations and dispersal sale purchases, along with natural increase, the Deep Cove Herd has now outgrown its winter quarters, so that more than the usual private sale of production must be made before the snow flies.

Thus it is that Deep Cove is holding its first public auction of Shorthorns on Saturday, November 2, at the Maritime Winter Fair at Amherst, Nova Scotia. In effect, Deep Cove is declaring a rich dividend from its breeding herd. This is a golden opportunity for Shorthorn breeders to cash in on proven brood cows, as well as bred and open heifers, and prospective stock bulls. Established herds can be strengthened and strong new herds started at the Deep Cove Shorthorn Dividend Sale.

## THE DEEP COVE BULL OFFERING

Four sons of Hayard Monarch, Reserve Grand Champion bull of the 1948 Canadian Royal Winter Fair and sire of Grand Champions at five successive Maritime Winter Fairs from 1952 through 1956.

One son and one grandson of Imported Calrossie Sportsman, the \$16,500 grandsire of PS Troubadour, 1956 International Grand Champion Steer over all breeds.

Heading this star-studded bull consignment is Deep Cove Scottish Monarch 6th, Grand Champion Bull of the 1957 Nova Scotia Provincial Exhibition. This great rugged two-year-old should prove a worthy successor to his famed full brothers: Deep Cove

Scottish Monarch 3rd, Grand Champion of the 1954 and 1955 Maritime Winter Fairs and Reserve Senior Champion of the 1955 Royal Winter Fair, before selling at \$2,675 in the 1955 International Sale to H.A. Kraft of Correll, Minnesota; Deep Cove Scottish Monarch 2nd, Grand Champion of the 1953 Maritime Winter Fair, now in service at Wescoal Farms Madisonville, Kentucky; and Deep Cove Scottish Monarch, Reserve Grand Champion of the 1952 Maritime Winter Fair, where he was purchased by the Prince Edward Island Shorthorn Association.

### **THE DEEP COVE FEMALE OFFERING**

Five imported females: three in calf to Imported Kinellar Napoleon, \$25,500 glamour bull of the 1956 Perth, Scotland, Show and Sale; one bred to Hayard Monarch, the champion famed as the sire of champions; one bred to imported Bapton Golden Aquila, another star of the 1956 Perth Show and Sale.

Nine richly bred brood matrons, five of them by Hayard Monarch, and all of them in calf to Kinellar Napoleon, Hayard Monarch, or Bapton Golden Aquila.

Three grand young heifers, two bred to Kinellar Napoleon and one to calve before sale day to Bapton Golden Aquila.

Three choice young open heifers by Hayard Monarch, Deep Cove Scottish Monarch 3rd, and Scotsdale Golden Highlight.

### **SPECIAL FEATURE**

The perfect example of the goal of the breeding program of both Deep Cove Farms and Acadia Farms, Cyrus Eaton's American Shorthorn establishment at Northfield, Ohio, is PS Troubadour, Acadia-bred 1956 International Grand Champion Steer over all breeds. Troubadour brought the all-time record steer prices of \$20.50 a pound for the record total of \$20,397.50 at the International auction. By popular demand, Troubadour has since been on an extensive international tour, and he will be on exhibition at Amherst on sale day and throughout the 1957 Maritime Winter Fair.

Dwight Griffith, Vice President and General Manager of Deep Cove Farms; Rod Hall, Secretary-Fieldman, Aroostook Livestock Association, Presque Isle, Maine; and Milton A. Wilson, well known Shorthorn breeder from Presque Isle, Maine, talking things over at the 1955 Acadia Production sale. Deep Cove Farms exhibited the Grand Champion Bull *over all breeds* at the 1956 Northern Maine show, and showed the Grand Champion Bull and Grand Champion Female *over all breeds* at the 1957 Northern Maine Fair. Consignments from Deep Cove were also tops at the 1956 and 1957 Maine State Sales.

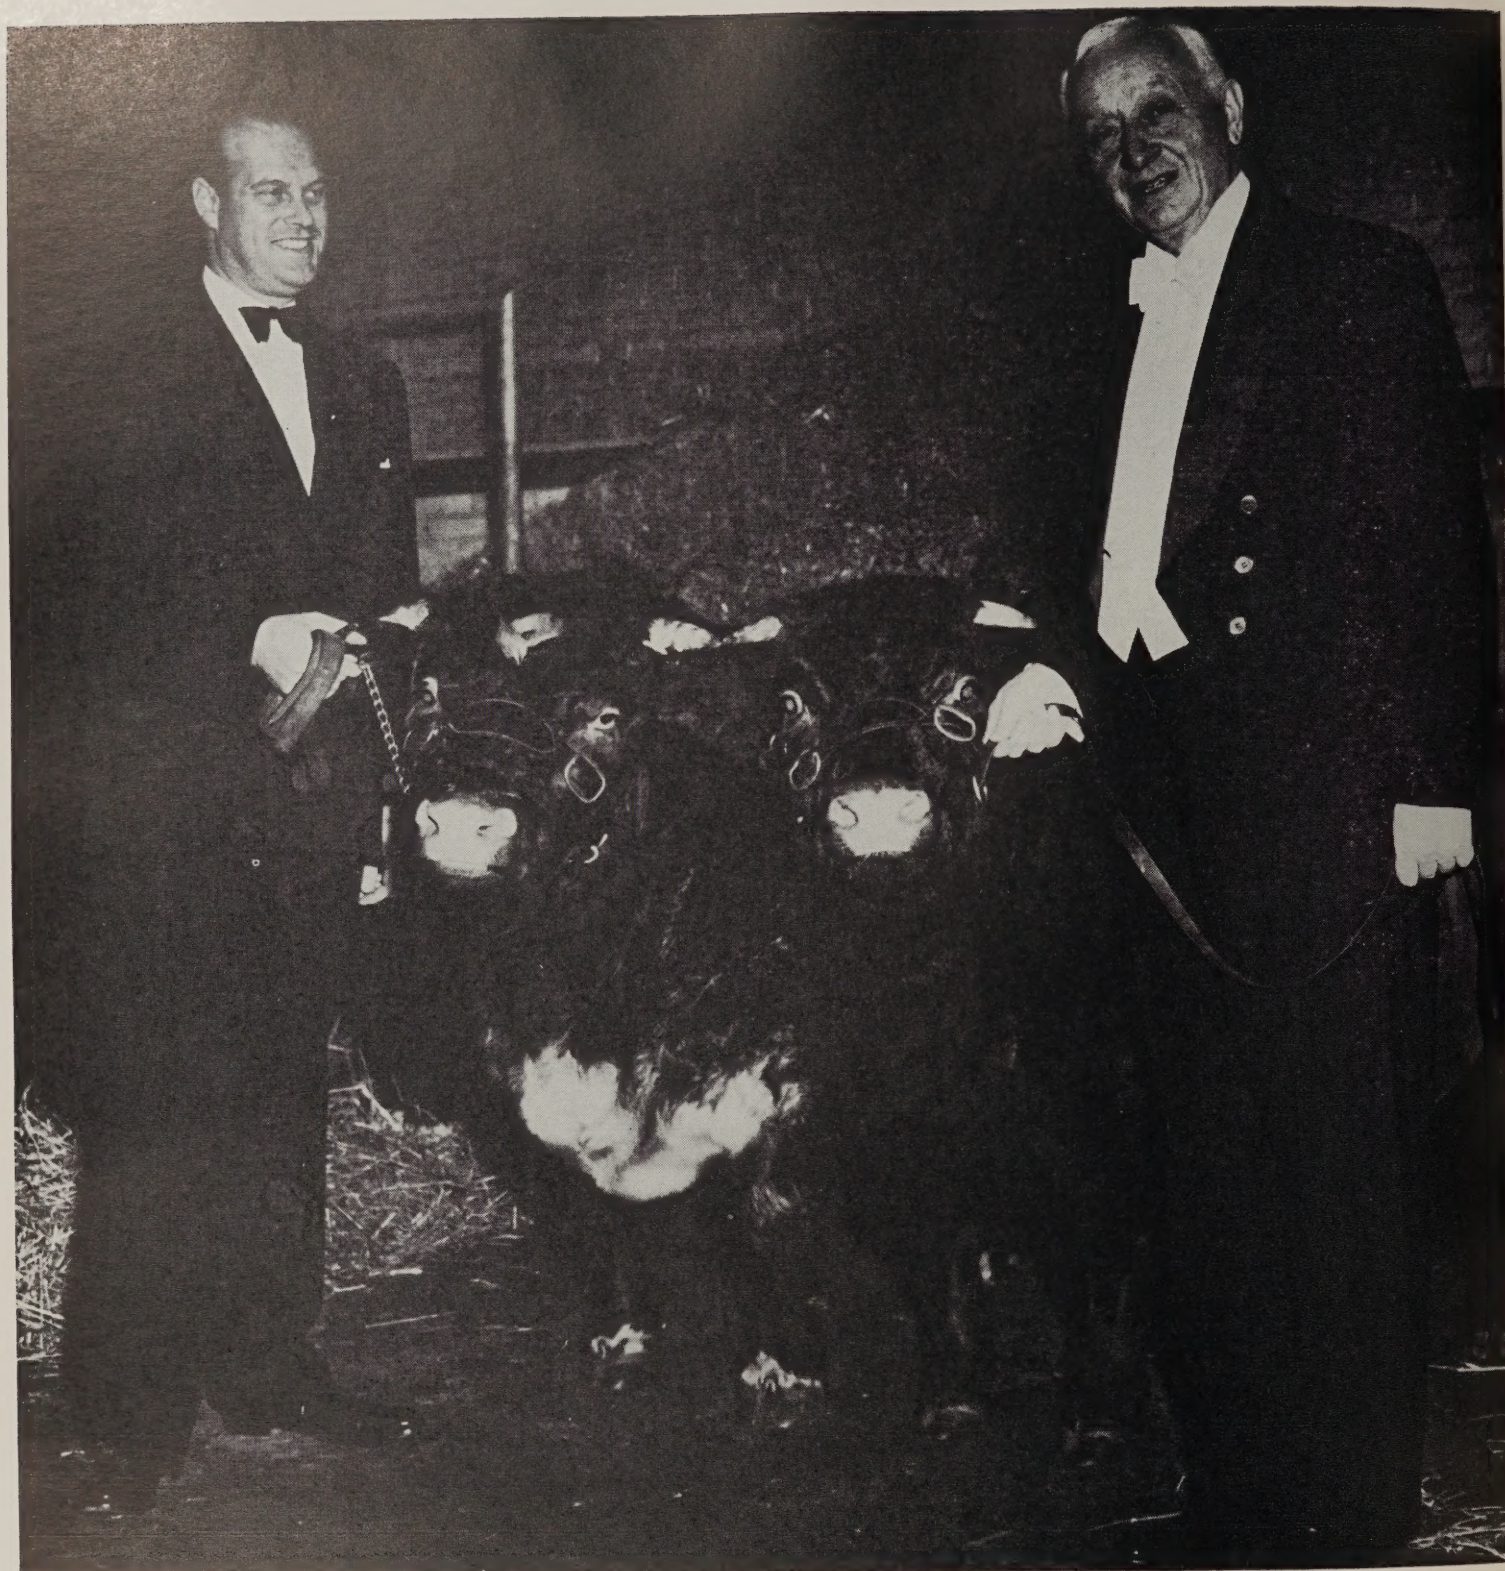

This line up of the Deep Cove show herd at the 1951 Maritime Winter Fair demonstrates the uniformity of the Monarch's progeny that has won ribbons and rosettes year after year.

First Prize Get at the 1953 Maritime Winter Fair by Hayard Monarch (l. to r.) Deep Cove Scottish Monarch 3rd, First Prize Junior Bull Calf; Deep Cove Beauty 2nd, First Prize Junior Yearling Heifer, Junior Champion and Reserve Grand Champion Female; Deep Cove Scottish Monarch 2nd, First Prize Junior Yearling Bull, Junior and Grand Champion Bull.

Hon. Robert Winters, former Federal Minister of Public Works, and Cyrus Eaton, with two of Deep Cove and Acadia's three first prize winners, Deep Cove Scottish Monarch 3rd, and Acadia Primula 3rd, Reserve Junior Champion Female, at the 1954 Canadian Royal Winter Fair. Deep Cove Scottish Monarch 3rd also won his class and was named Reserve Senior Champion Bull at the 1955 Canadian Royal Winter Fair. Acadia Primula 3rd is full sister to Acadia Sportsman 60th, now in service at Deep Cove. This picture was taken the evening that the Governor General of Canada, Hon. Vincent Massey, awarded the coveted prize known as the Queen's Guineas, hence the formal attire.

Allan C. Atlason, Secretary of American Shorthorn Breeders' Association; Betty Royon, Vice President of Deep Cove Farms and Acadia Farms, the only woman Director of American Shorthorn Breeders' Association; and Harold R. White, Executive Director of Canadian Shorthorn Association, enjoying a fence corner conversation at the 1955 Acadia Production Sale.

### HAYARD MONARCH

Senior herd bull at Deep Cove Farms is Hayard Monarch, Reserve Grand Champion of the 1948 Canadian Royal Winter Fair and sire of champion sons and daughters in every one of his eight calf crops. Hailed as "the best bull of any breed that has ever been in Eastern Canada," the Monarch has founded a dynasty unrivaled in Maritime agricultural history.

Featured in this sale are four sons, six daughters, one grandson, seven granddaughters and one great grandson, as well as three proven brood cows carrying his service. Although descendants of the Monarch are making beef cattle history in strong herds throughout Canada and the United States, never before has there been a single opportunity like this for Shorthorn breeders to avail themselves so widely of the Monarch's matchless bloodlines.

### IMPORTED KINELLAR NAPOLEON

Imported Kinellar Napoleon won the fitting accolade of glamour bull of the 1956 Perth, Scotland, Show and Sale, where he topped the sale at \$25,500 after being crowned Reserve Senior Champion. Among those who have since bought other sons of Gallant Marshal to head their herds are Calrossie, Bapton and Drynie, three of Scotland's strongest Shorthorn establishments.

All who have seen Napoleon on both sides of the Atlantic pronounce him the ideal of a breeder's bull in every respect. His first calves have arrived at both Deep Cove and Acadia Farms, and they thoroughly fulfill the high expectations that have been held for them. A large part of the females entered in this sale carry the service of Kinellar Napoleon.
